

Name of activity:

Enter your message.

Target activity:

Improve the communication of your team

Description of the activity:

Give the handheld radio, paper and pen or pencil for each patrol.

Have the patrol draw a random pattern

Try to use the radio link to transfer the same pattern as the example.

Consider here yourself tools to determine the start place on the sheet.

For the younger groups it is an idea to use graph paper, so you can more easily determine the place and expanding lines

Even better is a sheet with colors or coloring the different boxes.

Required material:

Handheld Radio, paper, pen or pencil - all by patrol.

Safety: N.V.T.

Tips:

Consider also the use of CTCSS when passing a spoken message. With this you can make a selection which radio can receive the message. (Check with your radio amateur) (Continuous Tone-Coded Squelch System)
